Special Conditions for Services provided by the ServicePartners HILPERT/Brochier (Water supply and drainage)

A Payment / charges

The connection and installation costs are charged to exhibitors by the appointed ServicePartner. Invoices must be checked without delay. The following credit cards are accepted: American Express, MasterCard, VISA.

1. A charge of EUR 250 will be made if the exhibitor opens and connects pipes on other neighboring stands or connects equipment himself.
2. Surcharges on the normal price for orders received later than 14 days before the start of the event
Services at fixed prices 25 %
Work at hourly rates 50 %
3. The prices stated are based on the wages for a 40-hour week. A surcharge of 25 % on fixed-price services and 50 % on services at the hourly rate may be payable for services not notified by the date fixed for the start of assembly or which could not be started on this date due to incomplete or unclear order information.
4. A processing fee of EUR 50 plus VAT at the statutory rate will be charged for issuing a new invoice due to incorrect information provided by the applicant. This fee will be included in the new invoice issued.

B Rules / conditions

1. The order and stand plan must be submitted to the organizer not later than 14 days before the start of the event.
An express surcharge as per Section A, Para. 2 will be levied on orders submitted late.
2. Connections to the supply duct and equipment (e.g. sinks, dishwashers, etc.) are only to be made by the ServicePartner. If equipment is nevertheless connected by the exhibitor, an acceptance inspection fee will be charged as per Section A, Para. 1.
3. Opening the supply ducts and tapping off water by the exhibitor is strictly prohibited! Likewise tapping off water from existing pipes. Any damage caused by contraventions will be charged to the stand owner/person causing the damage together with a penalty as per Section A, Para. 1.
4. Water pipes, shut-off valves, taps, sinks, dishwashers, etc. are rented out by the ServicePartner and remain his property. The exhibitor is to ensure that the material used is available complete and undamaged at the end of the event ready for removal by or handing over to the ServicePartner.
Any missing or damaged parts will be charged to the exhibitor at the cost of replacement. Sinks and basins are to be cleaned and any traces of paint removed. In the event of contravention, the cost of cleaning will be charged to the exhibitor.
5. Shut-off valves (ball valves) must be turned off every evening. Damage caused by valves not turned off will be charged to the exhibitor.
6. Excessive water consumption (e.g. swimming pools, permanent operation of equipment, etc.) will be charged extra.
7. The installation of rubber water hoses of any kind is strictly prohibited.
8. No liability is accepted for the effects of pressure, pressure fluctuations or damage to appliances.

C Complaints / cancellation

1. Cancellations are only possible up to 14 days before the official assembly date. The services ordered will be billed if cancelled later.
2. The list of measurements presented to the exhibitor and/or person ordering must be checked without delay then signed and returned, as this list is subsequently the basis for the invoice.
3. Complaints concerning the extent of services charged are to be checked and reported to the ServicePartner before dismantling the stand. Complaints cannot be accepted after the event because there is no possibility of properly checking the services provided.
